

Date: Wednesday 22rd December 2021 -10:00 am to 12:00 pm

Location: Zoom

Attendees: **CASPA Board:**
Robin Batchelor (RB), Jonathan Papworth (JP), Nuno Almeida (NA), Taffy Gatawa (TG), Robin Wells (RW)

DSC:
Daniel Casson (DC), Claire Sutton (CS), Katie Thorn (KT), Vic Rayner (VR)

Subject: CASPA & DSC Meeting - 22.12.2021

Agenda

1. Opening up GP Connect access

Last action: Objective is for Registered Managers to have access to GP Connect. Role-based access is ideal, but better to get Registered Managers first and then come back to role-based access. CS to email Emma Lenden and KT to raise directly.

- a. Announcement expected in January which is expected to be positive and apply to all CQC registered care providers who have DSPT standard met. Alison Taylor is the lead on this.

2. North Star

Last actions: NA to create a communications plan and action the design. Aim for publication at the end of November.

- a. Next step is to create a plan to contact all the parties previously identified.
- b. VR suggested looking at the TAPPI principles:
<https://www.housinglin.org.uk/Topics/browse/Design-building/tappi/> - CASPA to take forward, following introduction from VR
- c. DSC has posted the document on their website and newsletter will go out in January:
<https://www.digitalsocialcare.co.uk/a-northstar-for-digital-transformation/>

3. DSPT Promotion

- a. 40% of the sector has achieved standards met. Becoming an expectation.

- b. Better Security, Better Care has been looking at alternative sectors. Broad range of initiatives. The programme has been extended into FY 22/23 and is funding additional projects:
<https://www.digitalsocialcare.co.uk/better-security-better-care-programme-extended-and-new-projects-awarded/>
- c. Concern that Local Authorities may want an alternative accreditation.

4. Supporting CASPA in developing relationships with the LGA

Last action: Agreed the objective is to ensure LGA's do not send out letters like OCC did regarding needing access to digital data. A decision is needed on whether to carry over or drop.

- a. Ed Willis has been contacted without response. We understand he may have left and his replacement is being arranged however we don't have this contact.

5. Capacity Tracker

Last actions: Focus on a sensible MDS – two data flows: an MDS for the care receiver, the other Local Authorities, CCQ, NHS, etc.

Invite DSC to a meeting with Andrew Chui

- a. CASPA / PRSB / NHSX group working together to develop an MDS, which is expected to incorporate the objectives of capacity tracker. Next meeting with PRSB is the 12th January - NA to invite CS, DC and KT. Intent is that DSC will be party to this initiative, and also CQC ideally.
- b. From April 2022 there is expected to be mandatory data collection.

6. Review latest list of interoperability projects:

Last action: Nine ICS's identified as main projects. NA to circulate information regarding Kings Fund.

- a. There are now 14 ICS's involved - official announcement expected after Christmas. Plan is to grow this number over time.
- b. Every ICS will have at least one digital lead - agreed there is value in creating a list of all ICS together with the digital contacts, and state of engagement. CASPA to action.

7. Decide a date for next meeting

Next meeting 2nd February, 10am to 12am

AOB

- i. DPS discussed. Concern that the funding could be diluted by going through the levels.
- ii. Tommy is moving to NHSX, he has been replaced at NCF by Adam Hunt.

- iii. SNOMED-CT for social care contract has been sent out on a closed bid to at least two organisations. Project is between 450 and 950 days within an 18 month period. CS to update if she hears more.
- iv. LOTI are looking at engaging with technology providers. CASPA has sent comms out to all members.
- v. Master Class series in March to be about contract management - 8th March EVERYLife and PCS
- vi. Masterclass about DPO on the 25th January - TG invited.

END OF MEETING
